

Admirals Cove Country Club (East Course)

Jupiter, Florida

Project Description

The East Course at Admirals Cove is a private 18 Hole Course in Jupiter, Florida. In 2007, von Hagge, Smelek and Baril re-designed the course and QGS Development, Inc. performed the complete renovation. This project is a true testament to how teamwork between designers, contractors, and owners can produce a project on time and within budget with exceptional quality.
